

12 x 12mm (7/16")  
5mm x 15mm with  
nylock nut and  
washers (sills ect.

36 x 13mm (1/2")  
7mm x 25mm with  
plain nuts and  
washers. I will  
probably have to  
get spring washers  
for these (tub to  
chassis etc.)

12 x 11mm (7/16")  
x 5 x 2mm with  
nylock nuts and  
spring washers  
(wings/seat box/  
floor)

12 x As previous  
with 40mm washer

12 x 13mm (1/2") x  
7mm x 50mm with  
nylock nuts (Tub to  
chassis and seat box  
I think)

12 x 11mm (7/16")  
5mm x 25mm with  
nylock nuts and  
large washers  
25mm (wings/mud  
guards/front panel)

12 x 10mm x 6mm  
x 40mm self  
tapping screws  
(really cant  
remember what  
these are for yet but  
they came off  
somewhere)

24 x 10mm x 6mm  
x 20mm self  
tapping screw with  
captured washer  
(wing to bulkhead)
